

# How do I claim VAT relief?

## VAT relief

The 6E and 8E fitting shoes available from this catalogue are VAT exempt provided you meet the criteria laid out by the VAT office. If you have a medical condition which results in very swollen feet and you require 6E or 8E fitting shoes you may not need to pay VAT. If you are not sure please contact your medical advisor. We are NOT able to comment or give an opinion. It is an offence to claim VAT relief fraudulently.

If you qualify please complete the VAT relief section. You may then pay the "VAT Exempt" prices shown. VAT relief can only be claimed when ordering 6E and 8E fitting footwear. VAT relief cannot be claimed when ordering any other product, even if you are eligible for VAT relief. VAT relief is currently 17.5%. If the VAT rate changes during the life of this catalogue the rate applicable at the time will apply for VAT relief.

## Claiming VAT relief?

Please note there are penalties for making false declarations. If you are in doubt as to whether you are eligible to receive goods zero rated for VAT you should consult Notice 701/7 VAT reliefs for disabled people or contact the National Advice Service on 0845 010 9000 before signing this declaration. VAT relief can only be claimed on products marked 6E or 8E. If claiming you pay the "without VAT" price plus postage.
